

Michael Koutsilieris, MD (Athens), Ph.D (McGill, Montreal)

Physiology - Endocrinology - Molecular Oncology

Birth date: July 10th, 1954.

Birth place: Pireaus, Greece

Marital status: Married - 4 children (Nicholas, Vassilis, Maria, Dimitra).

MD degree (1980): Medical School, University of Athens, Greece

Ph.D. Degree (1987): Faculty of Graduate Studies, Department of Experimental Medicine, [PHYSIOLOGY-ENDOCRINE/ONCOLOGY], Calcium Research Laboratory, McGill University (Thesis advisor: Dr. David Goltzman).

Post-Graduate Training:

(1982-1987): Research & Clinical Fellowship in Endocrinology & Metabolism: Department of Medicine, Division of Endocrinology, Royal Victoria Hospital, McGill University (Tutors: Dr. David Goltzman and Dr. George Tolis);

(1987-1988): Research Associate, Department of Biochemistry & Molecular Biology, Sherbrooke University, Sherbrooke, Quebec, Qc, Canada (Dr. Jean-Guy Lehoux).

ACADEMIC POSITIONS

- 2004 - : Professor of Experimental Physiology & Director of the Physiology Laboratory, Medical School, University of Athens.
- 2004-2006: Chairman, Department of Basic Medical Sciences, Medical School, University of Athens.
- 1997-2004: Associate Professor, Experimental Physiology, Medical School, University of Athens.
- 1997-1998: Professor, Departments of Physiology-Endocrinology & Obstetrics-Gynaecology, Faculty of Medicine, Laval University, Quebec, Qc, Canada.
- 1993-1997: Associate Professor, Departments of Physiology-Endocrinology & Obstetrics-Gynaecology, Faculty of Medicine, Laval University, Quebec, Qc, Canada.
- 1988-1992: Assistant Professor, Departments of Physiology-Endocrinology & Obstetrics-Gynaecology, Faculty of Medicine, Laval University, Quebec, Qc, Canada.

MEMBERSHIP IN SCIENTIFIC SOCIETIES

- 2009- American Physiological Society (APS)
- 2006- Internation Steering Committee on "Steroidal Hormones & Hormones and Cancer"
- 2006- Hellenic Society of Physiology (HSP)
- 2002- American Diabetes Association (ADA)
- 2000- Society of Basic Urology Research (SBUR)
- 2000- Breast Cancer Coalition-EUROPA DONNA
- 1999- Metastasis Research Society (MRS)
- 1999- Molecular Medicine Society (MMS)
- 1998- World Endometriosis Society (ES)
- 1998- International Association of Medical Science Educators (IAMSE)
- 1997- Canadian University Alumni Association
- 1996- European Urological Association (EUA)
- 1996- American Urological Association (AUA)
- 1996-1998 Hellenic Medical Association of Quebec
- 1991- European Society of Human Reproduction & Embryology (ESHRE)
- 1988-1998 Club de Recherches Cliniques du Québec
- 1985-1990 American Fertility Society (AFS)
- 1985- New York Academy of Science (NYAS)
- 1982- American Society for Bone & Mineral Research
- 1982- Endocrine Society (USA)

1984-1988 Inter-American Society for Chemotherapy

EDITORIAL BOARD

Expert Opinion on Investigational Drugs, Expert Opinion on Pharmacotherapy, Journal of Musculoskeletal & Neuronal Interactions, International Journal of European Citizen's Quality of Life, In Vivo, World Journal of Gastroenterology, World Journal of Methodology, Open Journal of Molecular & Intergrated Physiology, World Journal of Experimental Medicine, Open Journal of Intergrative Physiology.

AWARDS

1982-85 : "Research Fellowship" Award, Research Committee, Royal Victoria Hospital, McGill University, Montreal, Quebec, Canada.
1982-87 : "Research Fellowship" Award, Medical Research Council of Canada
1986 : "Young Scientist" Award, American Society for Bone & Mineral Research
1989-92 : "Junior Chercheur-Boursier", Fonds de la Recherche an Sante du Québec
1893-96 : "Chercheur-Boursier", Fonds de la Recherche an Sante du Québec
2005 : "Volunteerism" Award, Ministry of Health, Greece
2009 : "Distinguished Spartan" Award, Prefecture of Laconia
2010 : "Senior Member" European Association of Medical Experts (inaugural member)
2010 : "Distinguished Researcher" Award, Hellenic Society of Obesity

RESEARCH - ADMINISTRATIVE POSITIONS

1988-1991 : Director, Laboratoire de la Reproduction Humaine, Hôpital, St. François d'Assise, Québec, Université, Canada.
1991-1994 : Laboratoire de la Bioregulation Hormonale, Centre Hospitalier Universite Laval, Québec, Université, Canada.
1994-1998 : Laboratoire de la Endocrinologie Moleculaire, Centre Hospitalier Universite Laval, Québec, Université, Canada.
1998-2004 : Dept of Experimental Physiology, Medical School of Athens
2004-2006 : Director, Sector of Basic Medical Sciences, Medical School of Athens
2005-2008 : Board of Directors, Alexander Fleming Research Institute, Vari, Greece
2004- : Chairman, Dept of Experimental Physiology, Medical School of Athens
2009- : President of the Professors' Union, Medical School, University of Athens
2008- : President of Hellenic Society of Physiology
2009- : Member of the International Scientific Committee for the Designing of the Medical School, University of Cyprus.
2011- : Member of the Task force for development of "Life Sciences - Biomedical Sciences", National Council of Research, Ministry of Education, Greek Government.
2011- : Board of Directors, Alexander Fleming Research Institute, Vari, Greece

SCIENTIFIC INTERESTS

Medical Physiology, Molecular Endocrinology, Molecular Oncology, Hormones & Cancer, Bones.
